

Nevada Bureau of Mines and Geology  
Mackay School of Earth Sciences and Engineering  
College of Science  
University of Nevada, Reno

Field work done in 2011-2012  
Supported by the U.S. Department of Energy  
(ARRA Grant No. DE-EE0002748)

**DRAFT**  
Preliminary geologic map  
Has not undergone office or field review  
Will be revised before publication

Compilation by Gregory Dering  
Cartography and map production in ESRI ArcGIS v10.0  
by Gregory Dering, Matthew Richardson, and Jennifer Mauldin  
First Edition, September 2013  
Printed by Nevada Bureau of Mines and Geology

This map was printed on an electronic plotter directly from digital files. Dimensional calibration may vary between electronic printers and x and y dimensions on the same printer, and paper may change size, therefore, scale and proportions may not be exact on copies of this map.
